Keynote Speaker

Dr. Kent M. Keith is a dynamic speaker whose mission is to help people find personal meaning in a crazy world. Each of us is more productive, more committed, more innovative, and less likely to burn out when we find meaning in our work and our daily lives. Dr. Keith's seminars, presentations, research, and books are designed to reconnect people with the most important sources of meaning that are available to them as leaders, employees, and individuals. He will speak about servant leadership and "Paradoxical Commandments".

Featured Presenter

He has been a Rotarian since 1964 and served as District Governor for District 5100 in 1981-82. He also served for three years on the staff of Rotary International and The Rotary Foundation. Dr. Davis will share highlights from his most recent book, "The Four-Way Test: Twenty-Four Words That Will Change Your Life."
