United Paws helps the economically disadvantaged of Tillamook County who cannot afford spay or neuter surgery for the the pets they love. We help those compassionate residents who care for stray cats. We also foster animals in our own homes until they can be adopted into loving, forever homes.

Rotarians provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. The North Tillamook County Rotary supports local organizations including the Women's Resource Center, the Food Bank, and others. Proceeds from the festival will go to the Rinehart Clinic Childhood Immunization Program to ensure all local school children are immunized.
