Describe your request.

Include a simple budget showing how funds will be used. Include other contributors, including your organization. What outcomes do you expect as a result and how they will be they measured?

This year, Wellspring Community Network will be hosting the annual South Pacific County Color Run. Traditionally, this event has been free for all OBSD students. We would like to continue this tradition and try to increase youth participation. Due to this, we are asking for \$500.00 to cover the costs of registration for all OBSD students; ~~which~~ we are hoping there will be more youth registrations than last year. We will count ~~youth~~ ^{OBSD student} registrations from years past and attempt to increase this number.

We would also love any volunteers who may be interested in volunteering. We could use volunteers for registrations, water stations and more!

List Agencies/Organizations that should, could, or must be involved and indicate whether contact has been made.

YAK (Youth Action Klub)/IHS has hosted this event in the past. They are unable to do so ~~next~~ this year due to schedule conflicts. We have spoken with them and they are very interested in volunteering this year.

Is there a person or an organization already doing what you want to do?

No.

Are you willing and able to attend to the good standing requirements set forth? yes no
